Letter No. 1958/145 d/6th Nov 1902, from the I.G. of Police forwarding a memorial addressed to H.H. the Maharaja of Mysore, by M. Kesaviah, Inspector of the Malur Taluk

* **Note.**

In 1901, Kesaviah submitted a petition to Govt. praying for an Amildari. In forwarding the petition, the Asst Supdt of Police and the D/S of the Kolar Dt recorded their good opinion of the petitioner's work as Inspector.

The petr set forth that he is a descendant of the late Amrut Mahal & Hille Cutchery Bakshi Thippaiya, in recognition of whose distinguished services to the State he was granted a Jahagir by H.H. the late Maharaja Krishnaraja Wodeyar Bahadur and that such services have been also since acknowledged by Govt in Proceedings Camp No 317-2 d/6th June 1893, while sanctioning a loan to redeem the Jahagir from heavy encumbrances, and that on the same consideration, the petr was exempted from age restriction when he was a candidate for the 1st Mysore Civil Service Exn in 89

Insp.r in the Mysore and Kolar Dists, though only drawing the pay of a Police Instr. of the 1st grade and that recently he has been ordered to officiate as Taluk Inspector; that his official superiors have recorded their unqualified satisfaction with his work as borne out by the testimonials submitted, and that notwithstanding his educational & family qualifications he has been superseded in service by his juniors. The petn concluded with the prayer that though Govt may not be pleased to recognise the petr as one deserving to be nominated to higher appointments, he may be at least favored with an Amildar's place, in consideration of his individual qualifications and service.

Order.

Why should not the services of Police Inspectors be rewarded by promotion in their own line ? Here is a graduate who has been 14 years a police Inspector during which time he has earned the good opinion of his Superiors. Yet when an Asst. Supt. is required temporarily we have to get one from amongst the Amildars E.g. the case of Mr Gulam Mohiddin Khan. I should like to

Know what principles are followed in promoting Police Inspectors & whether they can only reach the higher ranks by getting an Amildari. If that is so what proportion of Amildari's appointments, if any, is reserved for the police ??

KRW

submitted to this Govt.

I am sorry for the delay which has occurred in this matter.

Relatively the position of a Police Inspector is considered lower than that of an Amildar - when the latter Officers ran down to the grade of 100 ~~Rs~~ it had been ruled or recognised that the Rs Inspectors of Police who were drawing that pay were to be classed as Amildars. Since then however the lowest class of Amildars was abolished and they now begin with 150 a rise to 250. The last class of Amildars has been taken up by Deputy Amildars. The Inspectors rise from 40 to 80 and the Head Rs get 100. Up to this grade they are lower than Amildars and have always worked to the Amildars promotion for their promotion - Amildars in Mysore are the Heads of Police in their Talups and are therefore as much part of the Police Establishment in Mysore as Inspectors.

Part-time [illegible] is also debited to the Police Budget & there are many Amildars have always formed the recruiting ground for graded Police appointments

There are a few Inspectors who are alone 1st & 2nd Inspectors and also receive more pay - Such posts are the Inspectors of the Bangalore Mysore cities, Inspectorships of the Land Revenue and there are instances of such appointments been promoted to the graded rank directly - L. Krishna Rao [illegible] is one great instance and he was very recently His Highness has graciously ordered the promotion of Syed Adeen - Mr Hamid & Mohamed Jaffar have also so risen direct from the Police Dept itself. Meccai & Krishna Murthy were taken as Police Probationers and have since been promoted as Asst Supts. Subba Rao & Narayan Rao were Amildars - Mistakes have been the practice heretofore & there whose worked well - no necessity for a change has

been made out.

It has however been recently mentioned by the D.G. of Police that the scale of pay & prospects of promotion for the graded officers of Police compare unfavourably with the other branches of the service, & it is, I understand his view that the Police Depts & depts should be amalgamated with Ethn depts Govts or that at least the scale of pay & prospects of promotion should be assimilated. This subject requires careful consideration and I am not prepared to make any definite proposal to this Govt - just now.

Regarding the memorialist he says he is not even made a HC & Inspector of Police and his next step of promotion would be ordinarily to that grade and eventually to an Assistantship - It is too early, & material are wanting to hazard an opinion on this point & when it may be the memorialists turn to be promoted.

Here are some old papers which though not bearing on the question at issue may be interesting generally to read.

ENCLOSURE No. I.

To

THE SECRETARY,

To The Government of Mysore,

General and Revenue Departments,

BANGALORE.

Sir,

I respectfully beg leave to bring the following lines to your kind consideration and solicit that you will be so good as to place the same before the Government for their benevolent consideration and such orders as they may be pleased to pass thereon.

2. I beg to state that I am the lineal descendent of the late Amrit Mahal and Kille Cutchery Bakshi Thippaiya, whose distinguished services to the state, the remarkable loyalty, the sterling honesty and the conspicuous ability displayed by him in his coveted post of trust and responsibility secured for him a Jahagir as a token of Royal favour from His Highness the late Maharajah Krishnaraja Wodeyar Bahadur, and are so widely known that I need scarcely make any special mention of them. So recently as in 1893, the Government have been graciously pleased to acknowledge them in their Proceedings Camp No. 317—21 of 6th June 93 while sanctioning a loan to redeem the Jahagir from heavy encumbrances.

3. The kind recognition by Government of the aforesaid distinguished services of the family has again found proof in the fact that I was, on the above consideration, allowed an exemption from age restriction when I was a candidate for the first Mysore Civil Service Examination in 1892.

4. Having graduated from the Central College, Bangalore, in 1888 I took my own chance to enter Government Service in 1889 as Police Inspector of the last grade without praying for any special concession on the score of my aforesaid family considerations. Gradually, I qualified myself by passing the Criminal, Revenue and Civil Part II of the Mysore Local Service Examinations. With these qualifications and my good work I felt confident that my advancement in service would soon be an accomplished fact. When I was appointed to act as Amildar and 3rd class Magistrate of Sidlaghatta in October 1898, I believed that my hopes were beginning to be realized. But, unfortunately for me, I had to revert after 2 months. It was more than a year ago that I was again recommended by Mr. H. Ramanuja Iyengar the then Offg. Deputy Commissioner of Kolar District, as a Candidate for Deputy Amildâri for the proposed Sub-Taluk in the Kolar Gold Fields, which scheme was then under the contemplation of the Government.

5. Ever since the date of my relief Sidlaghatta, I have been doing the duties of the Head Quarter Inspector for some time in the Mysore District, and subsequently in Kolar though I have been drawing but the salary of my permanent appointment i. e., Police Inspector, 1st grade. I have recently been ordered to go back to a *Taluk as Inspector even after doing duty in a higher office without pay for a space of three years*. It will thus be seen that the realization of my cherished hopes has been practically more apparent than real and that after a long and faithful service of more than *twelve* years I find myself the same Police Inspector with which I began my official career.

6. The enclosures herewith submitted may bear ample testimony to the unqualified satisfaction I have given to my Official Superiors whom I have had the honor to serve in the Department. Again and again have they approached the Inspector General and the Government with the exceedingly kind support for my promotion, but in vain. *Other men who are junior to me, at any rate in point of University qualification and those who are juniors to me in service, have been allowed to go over my head while I have so far failed to get on at least as well as they in spite of so many things at my credit i. e. the University Degree, the Departmental qualifications, the long and well appreciated services and the family prestige I enjoy.* Surely these are no comments on so many supercessions I have had, but an humble representation that my legitimate share of promotion even in due course has been denied to me for the last 12 years.

7. By a noble and benevolent policy Government, several deserving young men have been favored with a good start in life, some by being taken into higher service by Nomination, and others by being appointed as Revenue Probationers, in kind recognition of the meritorious services rendered to the Government by their forefathers. My case, as may be seen from the above, has been rendered doubly unfortunate inasmuch as no encouragement even in the ordinary course has been shewn.

8. In conclusion I respectfully beg leave to approach the benign Government with my humble prayer that, *if they are not graciously pleased to recognise my case as one entitling me for higher appointment in the State service by nomination under the Government Proceedings*, I may at least be favored with an Amildari appointment, in which I have already acted in Sidlaghatta during the most anxious days of plague scare, which is not too much to pray for even when my claims are individually considered, and which will, I hope, commend itself readily to Government when they are collectively taken to their benevolent consideration.

I beg to remain
Sir,
Your most Obedient and
Humble Servant

M. Krishnaiah

I have known Inspector Keshaviah since 1891 and in 1895-96 worked under me as Inspector of the Tarikere Taluk of the Kadur District. I have had personal experience of the work performed by him in that Taluk which was done very creditably. This Taluk stood first in the percentage of convictions and he is to be credited with the detection of several important heinous cases—one of which is the Dacoity attack on the mail-cart. His systematic method of having the bad characters in the neighbourhood of is charge under constant surveillance prevented the occurrence of Dacoities on the several High Roads that ran through his Taluk.—He his exceptionally intelligent and a graduate, very willing to work, and I will be glad if his Duputy Commissioner could advance him to a higher post.

Dated—Mysore, 26th September, 1902.

Mr. M. Kesaviah and other members of the late Anche Bukshi Thippia's family are informed that their petition of the 18th September has been laid before His Highness the Maharaja who has directed that the following reply shall be communicated to them.

His Highness is well aware of the services of the petitioners' ancestor and of his family. As the petitioners admit in paras 2 & 3 of their memorial, these services have been suitably recognised and rewarded by the grant of a Jaghir. The members of the family have thus been provided with the means to enable them to qualify themselves for advancement, and His Highness therefore considers that individuals of the present generation must stand on their own merits.

Though he is quite prepared to give them opportunities of serving the State if they are qualified to do so, they must earn their promotion by approved service.

Any memorials that members of the family in State service desire to present must be submitted through their official superiors.

This is to certify that Mr. M. Keshaviah B. A. is well known to me, having been a student in our B. A. classes during 1885—7. His attendance at college was always most regular and his conduct always highly satisfactory. He is a very intelligent young man and is come of a well known and highly respectable family, his grandfather, Tippiah, having been Anche Bukshe.

He passed the B. A. Degree Language Branch in 1886 and optional Branch (Physics and Chemistry) in 1887—both in the third class; but his general intelligence and sharpness are not inferior to those of others who passed in the higher class.

He is a young man of good address and of good manners; and I have no doubt he will prove the correctness of my good opinion of him in any post he may be appointed to. I sincerely wish he may be successful in his application for an appointment.

Mr. Keshaviah is one of the few graduate Inspectors in the Province. During the Police Reorganization in 1893 he was given double promotion which speaks for itself. He is young and full of energy and I wish him a prosperous career. I have known him intimately as Police Inspector in the Kolar District.

The Secretary to the Government
of Mysore, Revenue
and General Departments.

SIR,

Consequent on the transfer of the Amildars of Chikballapur, Bagepally, and Sidlaghatta to Bangaloro on plague duty, and none others having been appointed in their stead, the work (*viz* Criminal, Revenue, and Miscellaneous) in their Taluks is almost at a standstill. I have therefore, in anticipation of sanction and subject to the approval of Government made the following acting arrangements.

2. Keshaviah B. A. first grade Police Inspector, Chintamani, who has passed all the Local Service Examinations to act as Amildar of Sidlaghatta.

I beg that the Government will be pleased to invest the above mentioned individuals, viz * *

Keshaviah and with 3rd Class Magisterial powers.

I have known Inspector Keshaviah since 1891 and in 1895—96 worked under me as Inspector of the Tarikere Taluk of the Kadur District. I have had personal experience of the work performed by him in that Taluk which was done very creditably. This Taluk stood first in the percentage of convictions and he is to be credited with the detection of several important heinous cases — one of which is the Dacoity attack on the mail-cart. His systematic method of having the bad characters in the neighbourhood of his charge under constant surveillance prevented the occurrence of Dacoities on the several High Roads that ran through his Taluk.—He is exceptionally intelligent and a graduate, very willing to work, and I will be glad if his Deputy Commissioner could advance him to a higher post.

SIR,

I beg to bring to your kind notice the good services rendered by M. Keshaviah, the Head Quarter Inspector since he joined us from Kolar and would request the favor of your being good enough to recommend him to the favorable notice of the Inspector General of Police in order that he may be allowed to draw the full pay of his office which is Rs. 100 + 15 horse allowance. I suggest this as he is now drawing only the acting appointment allowance while the previous incumbent is now drawing his full pay as sub-protem Amildar of the Sidlaghatta Taluk, Kolar District.

Since my remarks of the 26th June 97, Inspector Keshaviah joined the Mysore District as its Head Quar-

ter Inspector about a year back from the Kolar District and during that period I had on several occasions brought him to the notice of the Inspector General and Deputy Commissioner for very good and satisfactory work rendered. He now joins the Kolar District again on promotion, and I trust he will do well. He did much to help me in the rigorous prosecution of several known cases which ended successfully and putting the Office in a capital order.

20. "Inspector Keshaviah B. A. was in charge of the Chintamani Taluk and gave me every satisfaction. It was on my recommendation that he was made Acting Amildar of Sidlaghatta and subsequently Head Quarter Inspector which office he now fills. He is a very capable Officer and one I can strongly recommend in the Revenue Line where I am sure he will give satisfaction.
